

Adviser Summit 2023

Become Our Partner—Join us at the Adviser Summit!

San Diego, California • December 4-7, 2023

Founded in 2005, we're the nation's largest nonprofit service organization dedicated to educational opportunity and equity for all high school students.

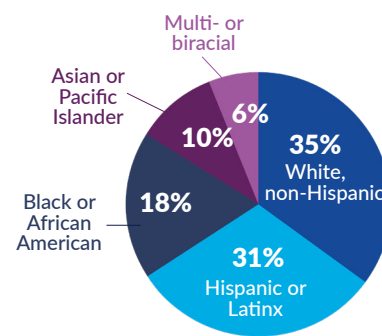

The Resource Fair provides a central mingling space and an opportunity to promote products, services, and resources with 1,000 advisers and Summit guests.

- Showcase your solutions and exchange information and best practices with young advising professionals and national thought leaders.
- Access a rich, deep pool of young, accomplished professionals, while advancing your community engagement and corporate social responsibility goals.
- Promote organizational missions, services, and technologies. Tables may also promote graduate school or employment opportunities for recruitment purposes.

Adviser Summit is a national convening for networking, professional development, and learning:

- 800+ young adviser-leaders
- 150+ national leaders from colleges and universities, K-12 education, industry, government, and public policy as well as university program partners and nation team staff

NEAR-PEER ADVISERS: AVERAGE DEMOGRAPHICS

60% of our advisers were Pell-eligible as college students.
56% of our advisers are first-generation college graduates.

Our advisers are key to our success. Access to them could be yours!
